ISSUE 4

Baby News

We announced towards the end of 2016 the safe arrival of Ediz and Mary's daughter Elif and Katie and Will's daughter Daisy – both baby girls are thriving and the whole team have been enjoying cuddle sessions.

Katie is due to return to Clifton Down Dental Practice at the end of March 2017 and the staff and patients alike are very excited to welcome her back.

Appointments with Katie are available on Tuesdays, Thursdays and Fridays.

Hygienist, Stephanie Sherwood, is delighted to announce she is the next member of the team with baby fever. Stephanie commences her maternity leave on Friday 3rd March 2017 and is planning to return in the autumn.

Introducing

We are thrilled to have appointed Hannah Mundy to maintain the oral health needs of our patients in Stephanie's absence.

Hannah has worked in dentistry for 16 years and progressed her career by qualifying as a hygienist with a distinction from Essex University. Hannah recently moved to Bristol with her husband and is enjoying exploring the city. Eating out and trying new foods are one of Hannah's favourite ways to spend her spare time in between visiting museums and art exhibitions. When at home relaxing Hannah's hobbies include knitting and listening to music.

Rob Tyrrell

With the success of Rob Tyrrell joining the team, we are delighted to inform you he will continue at the Practice in order to help us with our increasing number of patients. Rob graduated from Dublin Dental School in 2000 and brings a wealth of experience, having worked in both hospital and general practice settings in both the UK and Ireland. Rob provides a broad range of general dental treatments and has a particular interest in oral surgery and facial aesthetics, including anti-wrinkle injection therapy.

He is currently completing a Masters degree in Dental Implantology at Bristol University. Outside of dentistry Rob enjoys spending time with his young family, is a keen rugby fan and completes an occasional triathlon.

FREE

Facial Aesthetics Consultation

If you are interested in facial aesthetics we offer a **FREE**, no obligation consultation to discuss your options with Rob Tyrrell. For further details please see our website or do not hesitate to contact us.

Refurbishment

We have just completed our designs to modernise our reception area. This will allow us to appoint two receptionists to increase efficiency at the front desk and to enable a smoother patient journey.

Building work will commence mid-April and we hope to keep disruption to a minimum during this time.
