## TEAM NEWS

In January our dental nurse Kayley underwent jaw surgery to correct her class III (edge to edge) bite, after 5+ years of consultations and planning appointments. She is still slowly recovering with the swelling gradually going down and has finally had her fixed braces removed after having worn them for 2.5 years. She then had some composite build ups with Katie Bynoth to perfect her smile. Dentistry is amazing! Well done Kayley.

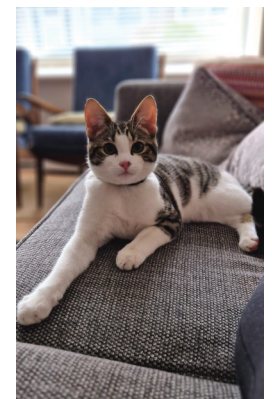

## WELL DONE

Congratulations to Katie Bynoth for completing the Bristol 10k in just 43 minutes.

## NEW FAMILY MEMBER

Courtney and Max have added a new member to the family, Otis the cat. He is very playful but also loves a cuddle.
