New Equipment

Annie and Katie are enjoying their new partnership and have been busy purchasing some fantastic new equipment.

Our intra oral scanner provides us with 3D scans of the patient's oral cavity, enabling precise measurements, detailed diagnostics, and treatment planning.

Working under a microscope with up to 20x magnification has lots of benefits to the dentist. During root canal treatments, canals can be found much easier, preserving more tooth structure.

New Team Member

We are pleased to welcome Frederico to our team at CDDP. Frederico has completed his MSc in Endodontics (root canal treatments) with distinction at the prestigious King's College in London. He exclusively practices endodontics. His extensive training enables him to treat even the most complex of cases. Using our state of the art microscope Frederico can deliver the highest standard of care. In his spare time Frederico enjoys spending time with his wife and 2 children and walking their pug dog called Sebastian. Frederico also enjoys body boarding and long board surfing.

Google Reviews

Patient satisfaction is very important to us. If you have had a positive experience and are happy with the service we have provided please leave a Google review. Your support is very much appreciated and is a fantastic boost to our hard working team.

New Patient Introductory Offer

New patient consultation with Anastasija for ***£65!**

This includes a full examination and necessary x-rays.

If a hygienist appointment is advised, we can provide this for just £72 and if the use of air flow is required to remove any staining, we do not charge our patients extra for this.

**£40 deposit required.*

Free Facial Aesthetics Consultation

If you are interested in facial aesthetics we offer a free, no obligation consultation to discuss your options. This offer is available to both registered and non-registered patients.

Affordable Care Plans

Monthly Budgeting makes sense and is an affordable way to maintain your oral health.

Discuss our affordable care plans with our friendly team. Starting at just **£10.86 per month** you can have peace of mind that we are there to look after your dental needs.

Free 32co Clear Aligner Consultation

If you are looking to straighten your teeth we are offering a free consultation for our registered patients.

If you would like further information on any of the treatments we provide please contact our reception team who will be happy to answer any questions.
